

THANK YOU!

John V. Sinclair Endowed Fund for Artistic Direction

For three decades, John V. Sinclair has presided over the Bach Festival Society's artistic programming, growing the organization's Choir, Orchestra, artistic reputation, and audience. To honor this important anniversary, the Board of Trustees established The John V. Sinclair Endowed Fund for Artistic Direction in 2020. The Bach Festival Society would like to thank the individuals and community partners below who have generously made a pledge or contribution in support of this fund and the artistic future of the Bach Festival Society of Winter Park.
